THIS DEED of ASSIGNMENT IS MADE ON THE EFFECTIVE DATE BETWEEN:

- (1) "Inventor Assignor" meaning each party as described in Table in Part A of Schedule 1 to this Assignment, and
- (2) "Company Assignor" means each party as described in Part B of Schedule 1 to this Assignment, and
- (3) "Unilever IP-Co" means such party as set forth in Part D of Schedule 1 to this Assignment being a member of the Unilever Group, as hereafter defined, and
- (4) "Unilever NV" means Unilever NV, a Dutch company, having a place of business at Weena 455, 3013 AL Rotterdam, The Netherlands, and
- (5) "Unilever PLC" means Unilever PLC, a company incorporated in England and Wales (registered number 41424) having a place of business Port Sunlight, Wirral, Merseyside, United Kingdom, and
- (6) "Conopco" means Conopco, Inc., d/b/a Unilever a corporation of New York having a place of business at 700 Sylvan Avenue, Englewood Cliffs, New Jersey 07632, USA.

For the purposes of this Assignment, each of the foregoing expressions shall, except where the context requires otherwise, include such party's successors, assigns, administrators and/or executors, as the case may be.

WHEREAS:

- (A) Each Inventor Assignor is/was, directly or indirectly, an employee and/or a sub-contractor (whether as in-house contractor, freelancer, consultant or otherwise) of the corresponding Company Assignor as identified in the same row of the Table in Part C of Schedule 1 to this Assignment and makes inventions in the course of the normal duties of their employment or in their specifically assigned duties and/or pursuant to an agreement as contractor or otherwise.
- (B) Each Inventor Assignor is an inventor of the invention as described in Row 1 of the Table in Schedule 2 to this Assignment (hereinafter called the "Invention") which has been or, insofar as not filed at the date hereof, is intended to be the subject of a patent application as described in Row 2 of such Table (hereinafter called the "Application").
- (C) By virtue of applicable law and/or other agreements between the Parties or with others, Unilever IP-Co is the owner of an undivided right, title and interest in and to the Invention and the Application from not later than the date of filing of the Application. In accordance with the foregoing, each Inventor Assignor and their respective Company Assignor has agreed to assign to Unilever IP-Co their entire right, title and interest in the Invention and Application upon and in accordance with the terms and conditions hereinafter appearing.
- (D) Unilever PLC and Unilever NV are the parent companies of the Unilever Group, as hereafter defined, and, for its better organisation, have agreed to allocate ownership of their intellectual property in the different regions, countries and territories of the world as follows: (i) Unilever NV in NV Countries, as hereafter defined, (ii) to Unilever PLC in all PLC Countries, as hereafter defined, and (iii) to Conopco in all Conopco Countries, as hereafter defined.
- (E) Unilever NV and/or Unilever PLC, as the case may be, is the parent company of Unilever IP-Co and requests Unilever IP-Co to assign immediately in this Assignment its entire right, title and interest in the Invention and Application: (i) to Unilever NV for all NV Countries, (ii) to Unilever PLC for all PLC Countries, and (iii) to Conopco for all Conopco Countries, upon and in accordance with the terms and conditions hereinafter appearing.

NOW THIS DEED WITNESSETH that:

- I. In this Assignment:
 - (a) "Assignee Party" means any Party being an assignee of any right, title and interest in the Invention and Application under this Assignment.
 - (b) "Assignee Countries" means such regions, countries and territories wherein each of Unilever PLC and Unilever NV and Conopco respectively is the Assignee Party of the Invention and Application under this Assignment.

- (c) "Assigning Party" means any Party assigning any of its right, title and interest in the Invention and Application under this Assignment.
 - (d) "Conopco Countries" means the United States of America.
 - (e) "Effective Date" means the date written in Schedule 1 Part E.
 - (f) "NV Countries" means all regions, countries and territories as set forth in Part A to Schedule 3 to this Assignment.
 - (g) "Party" means any party to this Assignment and includes such party's successors, assigns, administrators and/or executors, as the case may be.
 - (h) "PLC Countries" means all regions, countries and territories as set forth in Part B to Schedule 3 to this Assignment.
 - (i) "Unilever Group" means Unilever PLC in London and Unilever NV in Rotterdam and all companies controlled by Unilever PLC and/or Unilever NV, directly or indirectly. As used in this definition, "control" means possession, directly or indirectly, of power to direct or cause the direction of management and policies (whether through ownership of securities or partnership or other ownership interests, by contract or otherwise).
2. In consideration of good and valuable consideration paid to each Inventor Assignor and their Company Assignor, the receipt and sufficiency whereof each such Party hereby acknowledges, each Inventor Assignor and each Company Assignor shall assign and HEREBY DOES ASSIGN with full title guarantee to Unilever IP-Co:
- (a) its entire legal and beneficial right, title and interest to and in the Invention and the exclusive benefit thereof in each and all countries and territories of the world,
 - (b) its entire right, title and interest in the Application (including all rights to claim priority therefrom) in each and all countries and territories of the world, and
 - (c) its entire right to apply for and to obtain patents or other forms of intellectual property right protection (including provisional, non-provisional, divisional, continuations, continuations-in-part or reissue applications for patents or other forms of intellectual property right and all rights to claim priority therefrom) in each and all countries and territories of the world as may be based in whole or in part on the Invention and/or the Application and the exclusive benefit therefrom.
- TO HOLD the same unto Unilever IP-Co absolutely.
3. Each Inventor Assignor and each Company Assignor HEREBY COVENANTS with Unilever IP-Co that it shall at all times hereafter at the request and administrative cost of Unilever IP-Co promptly and without further condition or consideration sign, execute and do (or procure that inventors, predecessors, successors, employees, agents and sub-contractors sign, execute and do) all such documents, acts or things as may be necessary or desirable to enable Unilever IP-Co or its nominees to enjoy the full benefit of the property and rights hereby assigned and to apply for any patents or other forms of intellectual property right in respect of the Invention and fully and effectively in accordance with the Assignment to vest the same in Unilever IP-Co or as it shall direct.
4. In consideration of good and valuable consideration paid to Unilever IP-Co, the receipt and sufficiency whereof it hereby acknowledges, Unilever IP-Co shall assign and HEREBY DOES ASSIGN:
- (a) its entire legal and beneficial right, title and interest to and in the Invention and the exclusive benefit thereof (including all of the foregoing assigned to it pursuant to article 2 of this Assignment or otherwise),
 - (b) its entire right, title and interest in the Application (including all rights to claim priority therefrom), and
 - (c) its entire right to apply for and to obtain patents or other forms of intellectual property right protection (including provisional, non-provisional, divisional, continuations, continuations-in-part, or reissue applications for patents or other forms of intellectual property right) as may be based in whole or in part on the Invention and/or the Application and the exclusive benefit therefrom.

to: (i) Unilever NV for each of the NV Countries, (ii) Unilever PLC for each of the PLC Countries, and (iii) Conopco for each of the Conopco Countries. TO HOLD the same unto each such Assignee Party absolutely.

5. Each Assigning Party HEREBY COVENANTS with each of Unilever PLC and Unilever NV and Conopco that:

- (a) it shall at all times hereafter at the request and administrative cost of any of Unilever PLC, Unilever NV or Conopco, as the case may be, promptly and without further condition or consideration sign, execute and do (or procure others to sign, execute and do) all such documents, acts or things as may be necessary or desirable to enable the requesting Party or its nominees to enjoy the full benefit of the property and rights hereby assigned in each of their respective Assignee Countries and to apply for any patents or other forms of intellectual property right in each of their respective Assignee Countries in respect of the Invention and fully and effectively to vest the same in the requesting Party or as it shall direct.
- (b) insofar as it has any right, title and interest therein, it shall assign and HEREBY DOES ASSIGN its entire right to apply for and to obtain patents or other forms of intellectual property right protection (including provisional, non-provisional, divisional, continuing or reissue applications for patents or other forms of intellectual property right and all rights to claim priority therefrom) to Unilever PLC, Unilever NV and Conopco respectively in each of their respective Assignee Countries as may be based in whole or in part on the Invention and/or the Application it owns pursuant to this Assignment and the exclusive benefit therefrom.

6. Each Party hereby agrees that:

- (a) this Assignment may be adduced (including to be placed on public record) to any intellectual property office in all regions, countries and territories of the world or to any other party as evidence of the full legal and beneficial ownership of Unilever PLC and Unilever NV and Conopco in the Invention and/or Application in each of their respective Assignee Countries.
- (b) at all times hereafter, each of Unilever PLC and Unilever NV and Conopco may enjoy the full absolute and exclusive benefit of the Invention, the Application (including all rights to claim priority therefrom) and any patent or other forms of intellectual property right obtained in respect thereof in each of their respective Assignee Countries without any interruption, disturbance or interference from or by Assigning Party or any person, firm or company claiming through, under or in trust for any such party.
- (c) insofar as the Invention has arisen pursuant to any agreement affording Unilever IP-Co ownership of all or part of the Invention and where the Application may have been filed before the date hereof, such filing has been made with the full knowledge, licence and consent of each Assigning Party in anticipation of an assignment being executed on the terms hereof.
- (d) insofar any Application is or may be filed after the date hereof, it shall and hereby does give unconditional and irrevocable consent and authorisation to Assignee Party to take all actions necessary or desirable to apply for any patents or other forms of intellectual property right for the Invention in or for each of the Assignee Countries (including, where necessary, lending its name to any applications or prosecution therefor). Pursuant to and as part of the foregoing, each Party acknowledges and agrees that: (i) clause 5(a) shall apply to any application as envisaged by this clause, and (ii) details of any relevant application may be inserted into Row 2 of the Table in Schedule 2 to this Assignment as soon as such are known.

7. Each Inventor Assignor hereby declares unconditionally that they are a true inventor of the Invention and that they have obtained all independent legal advice before entering this Assignment as may reasonably be considered necessary and desirable in connection with this Assignment and the terms hereof.

8. Each Company Assignor, to the best of its knowledge and belief having exercised all reasonable enquiry, hereby represents and warrants each of the following:

- (a) The assignment to Unilever IP-Co under clause 2 of this Assignment constitutes the entire legal and beneficial right, title and interest to and in the Invention and the Application (including all related rights assigned under clause 2) of all parties thereto as may have been involved in the development thereof by or on behalf of such Company Assignor. Upon reasonable request by any Assignee Party (including to support any applications as may be filed in any intellectual property

office in any region, country and territory of the world), Company Assignor shall promptly evidence the foregoing by written records.

- (b) Each person listed or identified as an Inventor Assignor in the same row as such Company Assignor in Part C of Schedule 1 to this Assignment is a true inventor of the Invention and made the Invention in the course of the normal duties of their employment or their specifically assigned duties and/or pursuant to agreement as contractor or otherwise.
- (c) No person other than as identified as an Inventor Assignor in the same row as such Company Assignor in Part C of Schedule 1 to this Assignment involved in the development of the Invention for or on behalf of Company Assignor (whether as employee, in-house contractor, sub-contractor, freelancer, consultant or otherwise) is an inventor of the Invention.

9. The Parties acknowledge and agree that:

- (a) where Unilever IP-Co is a Company Assignor hereunder then, notwithstanding clause 2, there shall be no assignment to itself by virtue of said clause and said clause shall not, and shall not be construed as, constituting any assignment to itself and the other terms of this Assignment thereto shall be construed accordingly.
- (b) each of Unilever PLC, Unilever NV or Conopco may be Unilever IP-Co hereunder and, notwithstanding clause 4, there shall be no assignment to itself by virtue of said clause and said clause shall not, and shall not be construed as, constituting any assignment to itself and the other terms of this Assignment thereto shall be construed accordingly.
- (c) where any one or more of Unilever NV, Unilever, PLC or Conopco is a Company Assignor, clause 2 shall not assign any legal and beneficial right, title and interest to and in the Invention and the exclusive benefit thereof assigned to such Party under clause 4.

For clarity, the foregoing shall not be prejudicial to any other assignment under and in accordance with the terms of this Assignment.

10. Each Party hereby acknowledges and agrees that, insofar as there is any conflict between the terms of this Assignment and any earlier agreement between the parties hereto, the terms of this Assignment shall prevail.

11. Each provision of this Assignment is severable. Pursuant to and in accordance with the foregoing:

- (a) insofar as any party stated as being an Inventor Assignor and/or Company Assignor is unwilling or unable to execute this Assignment, the legality, validity or enforceability of any other assignment, and terms related thereto, by any other Inventor Assignor and/or Company Assignor hereunder shall not in any way be affected.
- (b) If any such provision or any part of such provision is or becomes illegal, invalid or unenforceable in any respect under the law, rule or regulation of any jurisdiction, the legality, validity or enforceability in that jurisdiction of the remaining provisions of this Assignment the remaining parts of that provision shall not in any way be affected.

As necessary or desirable to perfect any of the foregoing, all relevant Parties shall promptly and without further condition or consideration sign, execute and do (or procure that inventors, predecessors, successors, employees, agents and sub-contractors sign, execute and do) all such documents, acts or things as may be necessary or desirable to reflect the original intent as closely as legally permissible.

12. This Assignment may be executed in counterparts, and by the Parties on separate counterparts but, subject to clause 11, shall not be effective until each Party has executed at least one counterpart. Each counterpart shall constitute an original of this Assignment, but all the counterparts shall together constitute but one and the same instrument.

13. This Assignment and any issues or disputes which may arise out of or in connection with this Assignment (whether such disputes or issues are contractual or non-contractual in nature, such as claims in tort, for breach of statute or regulation or otherwise) shall be governed by and construed in accordance with the law of England and Wales.
