PATENT APPLICATION ASSIGNMENT

Whereas I, the undersigned, DERREK BURR, of 41 NEWPORT AVE., ATTLEBORO, MA 02073 hereby have made certain inventions or discoveries (or both) set forth in the following applications for Letters Patent with the United States of America and/or the International Bureau of the World Intellectual Property Organization, a draft of an Abstract of the inventions or discoveries is included at Attachment A:

- Attorney Docket No. BURD1701PP, US Patent Application Serial Number 62/511,437, entitled CURTAIN HOLDBACK ASSEMBLY, filed on May 26, 2017; and
- Attorney Docket No. BURD1701PPPU, US Patent Application Serial No. 15/990,779, entitled CURTAIN HOLDBACK ASSEMBLY, filed on May 28, 2018.

Whereas BURR DISTRIBUTION, LLC, a MASSACHUSETTS LIMITED LIABILITY COMPANY having a place of business at 521 MOUNT HOPE ST. NORTH ATTLEBORO, MA 02760, and which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits and privileges hereinafter recited;

Now, therefore, for five dollars (\$5.00) and other valuable consideration furnished by Assignee to me, receipt and sufficiency of which I hereby acknowledge, and for other good and valuable consideration, I hereby, without reservation:

1. As a named inventor of the above identified application, I hereby declare that: the above-identified application was made or authorized to be made by me; I believe I am the original inventor or an original joint inventor of a claimed invention in the application; I hereby acknowledge that any willful false statement made by this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both; and recognize the Assignee as a real party in interest in the application;

2. Assign, transfer and convey to Assignee the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all non-provisional, divisional, renewal, substitute, continuation, reissue, re-examination and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent and any provisional applications from which priority is claimed in said Letters Patent;

3. Appoint Assignee as an attorney-in-fact and Authorize Assignee to execute and file all necessary document, including making substitute statements, for filing and/or prosecuting patent applications in any or all countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International

Convention or otherwise;

4. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

5. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance; and

6. Bind my heirs, legal representatives and assigns, as well as myself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs, legal representatives or assigns which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries.

In testimony of which I have executed this Assignment on the date indicated above my name.

Dated 10/22/18

ATTACHMENT A

DRAFT OF ABSTRACT:

A holdback assembly is provided comprising a mounting portion and a holdback portion. The mounting portion and the holdback portion are coupled and the mounting portion is configured to mount the holdback assembly to a structure while the holdback portion holds back a material or fabric from a position where it would otherwise fall under the force of gravity. In some embodiments, the holdback assembly is mounted to the side trim of a window and the holdback portion holds back a curtain from a portion of the window. In some embodiments, the holdback portion and the mounting portion are separable.
