ASSIGNMENT OF PATENT RIGHTS

For valuable consideration, I, Joseph Schwartz of Hollywood, Florida, hereby assign to SPA World Corporation, a corporation having a place of business at 5701 NW 35th Avenue, Miami, Florida 33142, the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for a United States Patent signed by us this day, entitled Tile filed on April 25, 2018, at the United States Patent and Trademark Office, under U.S. Design Application No. 29/645,304. I authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known; this assignment including said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
