PATENT COLLATERAL AGREEMENT

This 27th day of September, 2018, each of Eggers Division, LLC, a Delaware limited liability company, and VTI Architectural Products, Inc., an Iowa corporation (collectively, the “Debtors” and each, a “Debtor”), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Wells Fargo Bank, National Association, and its successors and assigns (“Bank”), and grants to Bank, a continuing security interest in and to all of the right, title and interest of such Debtor in, to and under the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (the “Patent Collateral”):

(i) Each patent and patent application listed on Schedule A hereto and all of the inventions described and claimed therein and any and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto; and

(ii) All proceeds of the foregoing, including without limitation (x) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing and (y) any and all claims and causes of action by such Debtor against third parties for damages, restitution and injunctive and other legal and equitable relief by reason of past, present or future infringement, misappropriation, violation, misuse, breach or default of any patent or patent application listed on Schedule A hereto, in each case together with the right but not obligation to sue for and collect, or otherwise recover, said damages;

to secure the payment and performance of all Secured Obligations of such Debtor as set out in that certain Security Agreement: Business Assets bearing even date herewith by and among the Debtors, the other parties from time to time party thereto and Bank, as the same may be amended, modified, or restated from time to time (the “Security Agreement”).

Each Debtor authorizes the Commissioner for Patents and any other governmental officials to record and register this Patent Collateral Agreement upon request by the Bank.

Each Debtor does hereby further acknowledge and affirm that the rights and remedies of Bank with respect to the assignment, mortgage, pledge and security interest in the patents and patent applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. The rights and remedies of Bank with respect to the Patent Collateral are as provided by the Security Agreement and the related documents, and nothing in this Patent Collateral Agreement shall be deemed to limit such rights and remedies.

This Patent Collateral Agreement may be executed in any number of counterparts, and by the different parties on different counterpart signature pages, all of which taken together shall constitute one and the same agreement. Any of the parties hereto may execute this Patent Collateral Agreement by signing any such counterpart and each of such counterparts shall for all purposes be deemed to be an original. Delivery of a counterpart hereof by facsimile or in

electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart hereof. This Patent Collateral Agreement shall be construed and determined in accordance with the laws of the United States and the State of Nebraska without regard to conflicts of law principles that would require application of the laws of another jurisdiction. This Patent Collateral Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.
