Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify
theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card
authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type
of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal
information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is
available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213 (a) is made in the
application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available in the public if the application
is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms, PTO-2038 submitted
for payment purposes are not retained in the application file and therefore are not publicly available.
