## ASSIGNMENT

WHEREAS, we, Scott Lewis, Richard Wimpenny and Stephen Yeates (hereinafter referred to as ASSIGNORS), are the joint inventors of an invention entitled "ELECTRON BEAM RESIST COMPOSITION", as described and claimed in the specification forming part of U.S. Nonprovisional Application Serial No. 15/501,417 filed February 2, 2017, which is a National Phase of International Patent Application No. PCT/GB2015/052204, filed July 30, 2015, an application claiming the benefit of priority to British Patent Application No. 1413924.0 filed August 6, 2014; and

WHEREAS, THE UNIVERSITY OF MANCHESTER (hereinafter referred to as ASSIGNEE), having a place of business at Oxford Road, Manchester, M13 9PL, United Kingdom, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patents which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patents on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner for Patents and Trademarks to issue all letters patents on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patents on said invention, for litigation regarding said letters patents, or for the purpose of protecting title to said invention or letters patents therefor.
