ASSIGNMENT

WHEREAS, I, Hans-Jörg Schmitz, have invented certain new and useful improvements disclosed in the attached United States design patent application entitled "Snap Hook;" and

WHEREAS, Schmitz GmbH, a legal entity organized under the laws of the country of Germany, having a principal place of business at Südring 86, 42579 Heiligenhaus, Germany (hereinafter designated as "Assignee"), is desirous of acquiring my entire right, title and interest in said application and in any United States Letters Patent or Patents to be obtained thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto the said Assignee my entire right, title and interest in and to said application, all applications for Letters Patent or Patents heretofore or hereafter filed for said improvements in the United States of America, and all Letters Patent or Patents in the United States of America which may be granted thereon, and in and to all substitutions, divisions, continuations and continuations-in-part of said United States applications, or renewals, extensions, reissues or reexaminations of said Letters Patent or Patents; and

I hereby request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said Assignee.
