# CERTIFICATION OF ASSIGNMENT OF PATENT APPLICATION

I, Ken Clements ("Assignor"), co-owner of RETROREFLECTIVE LIGHT FIELD DISPLAY, as described in the U.S. Patent Application signed by Assignor on March 18, 2016, U.S. Patent and Trademark office Serial Number 15/074,525, filed March 18, 2016, (the "Patent Application"), do hereby certify that all my ownership has been transferred by assignment to CastAR, Inc. ("Assignee"), through my employment agreement, including all rights in and to the Patent Application and the patent (and any reissues or extensions, as well as such rights in any divisions, continuations in whole or part or substitute applications) that may be granted.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor acknowledges assignment to Assignee 100% of his right, title, and interest in the invention and Patent Application to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the Patent Application.
