## ASSIGNMENT OF PATENT APPLICATION

This assignment is made and entered into by and between the following person(s),

Adam Sandt, 3085 Portland Avenue, Apex, North Carolina 27502, USA,  
Joshua Steven Joseph, 13103 Beowulf Lane, Cary, North Carolina 27519, USA  
(Assignor(s)),

and

Undercover Colors, Inc., 7020 Kit Creek Road, Suite 200, Research Triangle Park,  
North Carolina 27709, USA  
(Assignee).

For good and valuable consideration, the receipt of which is hereby acknowledged, I/we, the undersigned Assignor(s), do hereby sell, assign, and transfer to the Assignee, and the Assignee's successors and assigns, all right, title, and interest for all countries in and to the United States patent application entitled

### DETECTION APPARATUS

identified as United States Patent Application No. 29/647,393, filed May 11, 2018, ("the Application"), and in and to any and all inventions disclosed in the Application ("the Invention") and all provisional and/or nonprovisional applications for United States Patent, including divisional, continuing, substitute, renewal, and reissue thereof, and all other applications for United States Letters Patent and/or Patent(s) and/or other related property rights in any and all foreign countries which have been or shall be filed on one or more of the Inventions, and in and to all original and reissued patents or related foreign documents that have been or shall be issued on one or more of the Inventions.

I/we, the Assignor(s), in accordance with this assignment, authorize and request the Commissioner for Patents of the United States to issue to the Assignee or the Assignee's successors and assigns, in accordance with this assignment, any and all United States Letters Patents that claim or disclose one or more of the Inventions.

I/we, the Assignor(s), further agree, for good and valuable consideration, the receipt of which is hereby acknowledged, that the Assignee or the Assignee's successors and assigns may apply for and receive foreign Letters Patents or similar such rights and, in doing so, may make a claim of priority to the Application under the provisions of any bilateral or multilateral treaty or international agreement, including but not limited to, the International Convention of 1883 and later modifications thereof ("the Paris Convention"), the Patent Cooperation Treaty, the European Patent Convention, the Eurasian Patent Convention, the agreement(s) of the African Regional Intellectual Property Organization, the agreement(s) of the Organisation Africaine de la Propriete Intellectuelle, and the agreement(s) of the Cooperation Council for the Arab States of the Gulf; and that, when requested, without charge to the Assignee or the Assignee's successors and assigns, to carry out in good faith the intent and purpose of this assignment, the Assignor(s), or their executors or administrators, will, for the United States and any and all foreign countries: (i) execute any and all documents related to any application for patent in the United States or a foreign country, where such application discloses one or more of the Inventions; (ii) execute any and all oaths, declarations, assignments, confirmatory assignments, powers of attorney and other papers concerning one or more of the Inventions and any and all patent applications thereon, whether in the United States or a

foreign country; (iii) perform other such acts, at the request of the Assignee or the Assignee's successors and assigns, to obtain or maintain any and all patents or related property rights in the United States or any foreign country on one or more of the Inventions or any improvements thereto and to vest title thereto in the Assignee or the Assignee's successors and assigns and (iv) allow, should circumstances require, the Assignee or the Assignee's successors and assigns to execute any document under (i), (ii) and/or (iii) on my/our behalf.

In addition, I/we, the Assignor(s), further agree, for good and valuable consideration, the receipt of which is hereby acknowledged, to the extent not encompassed by the foregoing do hereby assign all rights to enforce and/or litigate any and all patents or related property rights in the United States or foreign country on one or more of the Inventions or any improvements thereto, including the rights to participate in any post grant oppositions, re-examinations, re-issues and/or inter parte or ex parte reviews relating thereto.

Further, I/we the Assignor(s) hereby agree, for good and valuable consideration, the receipt of which is hereby acknowledged, not to challenge the validity of, or take any position adverse to my statements under oath relating to, the Invention(s) in any proceeding, including litigation in a United States or foreign court and/or post grant review proceeding, including oppositions, inter parte reviews, post grant reviews and/or re-examinations in the United States and/or any foreign countries.

In testimony whereof, we, the Assignors, have signed our names below on the date indicated. By such signature, we, the Assignors, acknowledge that we are of sound mind and health, that we have read and understood all terms recited above, and that we are signing this of our own free will for the purposes stated herein.
