ASSIGNMENT

WHEREAS We, the below named inventor(s) (hereinafter referred to as Assignor(s)) have made an invention entitled:

NOVEL BICYCLIC BROMODOMAIN INHIBITORS

filed on June 20, 2014 International Application No. PCT/US2014/ 043423 claiming priority from provisional Application No. 61/837,841 filed in the United States Patent Office on June 21, 2013, and

WHEREAS, Zenith Epigenetics Corp., a corporation of Canada whose post office address is 300, 4620 Richard Road SW, Calgary, AB T3E 6L1, Canada (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, effective as of the International filing date of June 20, 2014, We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention as described and claimed in this International application, and all divisions, and continuations thereof, and all Letters Patent which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application in any country, and all applications for Letters Patent which may hereafter be filed for this invention in any country and all Letters Patent which may be granted on this invention in any country, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment.

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment.

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND, WE HEREBY authorize and request the attorneys we have empowered in the Declaration and Power of Attorney in this application, to insert here in parentheses (PCT Application No. PCT/US2014/043423 filed June 20, 2014) and above, the application number of said International application when known.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
