## ASSIGNMENT

This Assignment is made by **Scott Platt**, of 100 W. Easy Street, Simi Valley, CA 93065. **Assignor**, to **Platt Designs, Inc.**, a California corporation having a place of business at 100 W. Easy Street, Simi Valley, CA 93065, **Assignee**.

WHEREAS, Assignor has invented a new original and ornamental design for a **MAILBOX POST**, for which an application for United States Design Patent was filed on January 19, 2018 and assigned Serial No. 29/634,347;

WHEREAS, Assignor believes they are the original, first and sole inventor of the design disclosed and claimed in said application for Design Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application and any Design Patent that may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire right, title, and interest in and to said design, said application and any Design Patent that may be granted for said design in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise. Assignor further transfers and assigns to Assignee all causes of action, rights, and remedies arising under any patent or application for said design prior to or after the effective date of this Agreement.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Design Patent in the United States and throughout the world for said design, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said
