PATENT ASSIGNMENT

WHEREAS, we, Charles Paradise, Kirsten Climer, and Francois de Martrin-Donos, have made inventions, which inventions are described applications for Letters Patent, which applications are listed in the attached Exhibit, and;

WHEREAS, **Smart Design Worldwide of 601 W. 26th Street, New York, NY 10001** a corporation organized and existing under the laws of the **STATE OF NEW YORK** (hereinafter "**Smart Design**") is desirous of acquiring the entire right, title and interest in and to the invention and in and to the application and any Letters Patent that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned parties do hereby sell, assign and transfer unto **Smart Design**, its lawful successors and assigns the full, exclusive and worldwide right to the invention and the entire right, title and interest in, to and under the application and any and all Letters Patent(s) that may be granted on the application, any and all applications and Letters Patent claiming priority to the application, including any and all divisions or continuations thereof, any and all renewals, reissues, reexaminations and extensions thereof, in the United States of America, in the territorial possessions of the United States of America, and in any country foreign to the United States of America, the same to be held and enjoyed by **Smart Design**, its lawful successors and assigns as fully and entirely as the same would have been held by us had this assignment not been made.

And we hereby authorize and request the Commissioner of Patent and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to **Smart Design** as the assignee of our entire right, title and interest in, to and under the same, and we hereby further authorize **Smart Design** to apply for Letters Patent in our name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country.

And we do hereby agree for ourselves and for our heirs, executors and administrators, to execute any lawful document and to testify as to any material fact or thing which **Smart Design**, its lawful successors, assigns and legal representatives may deem necessary in order to secure unto itself, its lawful successors and assigns the full right, title and interest in and to, and the full enjoyment of, the invention or any part thereof, the applications and any and all Letters Patent, the same to be done without any further consideration.
