PATENT ASSIGNMENT

WHEREAS, EMD Millipore Corporation, of 400 Summit Drive, BURLINGTON, MA 01803, a corporation organized and existing under the laws of the Commonwealth of Massachusetts (hereinafter "Assignor") is the owner by a lawfully executed Assignment of all rights, title and in an invention(s), which invention(s) is described in an application for Letters Patent, which application(s) are listed in the attached Exhibit; and

WHEREAS, Merck Chemicals and Life Science AB, of Froesundaviks Allé 1, 169 70 Solna, Sweden, a corporation organized and existing under the laws of the Sweden (hereinafter "Merck Chemicals") is desirous of acquiring the entire right, title and interest in and to the invention, and any and all, patent application(s) and Letters Patent(s) that may be granted therefor;

NOW, THEREFORE, we, the undersigned parties on behalf of Assignor do hereby sell, assign and transfer unto Merck Chemicals, its lawful successors and assigns the full, exclusive and worldwide right to the invention, and the entire right, title and interest in, to and under the application(s) and any and all Letters Patent(s) that may be granted on the application(s), any and all applications and Letters Patent claiming priority to the application(s), including any and all divisions or continuations thereof, any and all renewals, reissues, reexaminations and extensions thereof, in the United States of America, in the territorial possessions of the United States of America, and in any country foreign to the United States of America, the same to be held and enjoyed by Merck Chemicals, its lawful successors and assigns as fully and entirely as the same would have been held by Assignor had this assignment not been made.

And we hereby authorize and request the Commissioner of Patent and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to Merck Chemicals as the assignee of our entire right, title and interest in, to and under the same, and we hereby further authorize Merck Chemicals to apply for Letters Patent in our name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country.

And we do hereby agree for ourselves and for our heirs, executors and administrators to execute any lawful document and to testify as to any material fact or thing which Merck Chemicals, its lawful successors, assigns and legal representatives may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to, and the full enjoyment of, the invention or any part thereof, the applications and any and all Letters Patent, the same to be done without any further consideration.

IN TESTIMONY WHEREOF, I hereby set my hand on behalf of EMD Millipore Corporation this 25 day
of October, 2018.
