ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment is entered into the 12th day of November 2014.

Parties:

1. 'The Assignor': Paul McAndrew, of c/o Fridgeland UK Limited,
Suite B1.2, Clarence Mill Business Centre, Macclesfield,
Cheshire, SK10 5JZ, United Kingdom
2. 'The Assignee': Fridgeland UK Limited, Suite B1.2, Clarence Mill
Business Centre, Macclesfield, Cheshire, SK10 5JZ, United
Kingdom

The Assignor is an inventor of improvements in refrigerators as described in international patent application PCT/GB2014/051102, those improvements incorporating the design of various air-guiding strips as illustrated in Community design no. 002465898 (all of the aforementioned hereafter called 'the Invention').

For the valuable consideration set forth in the Agreement and in further consideration for the payment of £1.00 (ONE POUND STERLING) by the Assignee to the Assignor receipt of which is hereby acknowledged by the Assignor:

1. The Assignor hereby assigns with full title guarantee absolutely to the Assignee free from encumbrances all of his right title and interest (including any intellectual property rights of any kind, scope or nature which may include without limitation patent rights, rights to apply for patents, utility models, unregistered design rights, rights to apply for registered designs, copyrights, database rights and any analogous or similar rights subsisting in

any part of the world whether registered or unregistered for the full term of protection thereof) in and to:

- 1.1.1 the Invention;
- 1.1.2 any design drawings, prototypes, or other preparatory materials relating to the Invention;
- 1.1.3 any documents produced relating to the Invention;
- 1.1.4 any electronic files or databases relating to the Invention;

together with all rights and powers arising or accrued therefrom including the right to sue for damages and other remedies in respect of any infringement of such rights, whether past, present or future.

2. The Assignor further covenants that at the request and cost of the Assignee he will at all times hereafter do all such acts and execute all such documents as may reasonably be necessary or desirable both to secure the vesting in the Assignee of all rights assigned to the Assignee hereunder and to assist in the resolution of any question concerning the Invention and any patent application that may be made therefor. The Assignor further acknowledges that, in the event that the Assignee applies for patents in respect of the Invention, he will be nominated and recorded as the Inventor of the Invention.
