ASSIGNMENT OF APPLICATION FOR UNITED STATES LETTERS PATENT

WHEREAS **Roni RYDLEWICZ**, hereinafter collectively referred to as the assignor, has invented a certain improvement relating to **DIAMONDS**, or which said assignor has caused an application for United States Letters Patent to be prepared,

[X] said application having been filed in the United States Patent and Trademark Office on _____, as U.S. Patent Application Number _____, and which claims priority to European Design Registration No. 005285301-0001, filed on May 28, 2018;

[] was filed under the Patent Cooperation Treaty on _____, as International Application No. _____, the United States of America being designated, the U.S. national stage application having been filed on _____, as U.S. Patent Application No. _____.

AND WHEREAS **LUCKY EYE LIMITED**, hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof;

NOW WITNESSETH, that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration paid by said assignee to said assignor, the receipt of which is hereby acknowledged, said assignor hereby assigns, sells and transfers to said assignee, and said assignee's successors and assigns, the entire and exclusive right, title and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof; said assignee, and said assignee's successors and assigns, to have, hold, exercise and enjoy the said application, including any and all divisions and continuations thereof, and the said invention and any all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof, with all the rights, powers, privileges and advantages in anywise arising from or appertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues and prolongations thereof, for the use and benefit of said assignee, and said assignee's successors and assigns, in as ample and beneficial a manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made.

AND said assignor hereby agrees to perform, upon the request of said assignee, or said assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patents, including any and all renewals, reissues and prolongations thereof.

AND said assignor authorizes and requests the Commissioner of Patents and Trademarks to issue Letters Patent on said application, and on any and all divisions and continuations thereof, to said assignee, and said assignee's successors and assigns, in accordance herewith.

AND the Assignor hereby grants the firm Venable LLP of 600 Massachusetts Avenue, NW Washington, DC 20001 the power to insert on this assignment any identifying information, including application number, and filing and execution dates, and to correct errors in spelling of names, addresses and dates which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, each individual collectively referred to as Assignor has caused this Assignment to be executed.

EXECUTED this 21 day of November, 2018.
