ASSIGNMENT

This Assignment is made and entered into by and between **R&D Tool and Engineering Co. D.B.A. R&D/Leverage**, a Missouri company, with its principal place of business at 1009 SE Browning Avenue, Lee's Summit, Missouri 64081 (hereinafter referred to as "ASSIGNOR") and **The Folger Coffee Company**, an Ohio corporation, having a principal place of business at One Strawberry Lane, Orrville, Ohio 44667 (hereinafter referred to as "ASSIGNEE").

Whereas, ASSIGNOR is the owner of the entire rights, titles and interests to United States Design Patent Application entitled CONTAINER and identified by Attorney Docket No. BV-250-D-0409-US, filed on 11/20/2018, and later assigned U.S. Patent Application Serial Number 29/671,529, (the "Patent Application"); and,

Whereas, ASSIGNEE desires to acquire the entire right, title and interest in said Patent Application and said inventions, and to any United States and foreign patents to be obtained therefore; and

Now, therefore, in consideration of the promises and obligations set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, transfer, and assign to said Assignee, its successors, assigns and other legal representatives, for the territory of the United States of America and throughout the world, its entire right, title and interest in and to the Patent Application, and the inventions therein, together with any and all reissues, reexaminations, statutory invention registrations, modifications and extensions thereof, together with any and all continuations, divisions, continuations-in-part and reissues, and all of the inventions relating to the foregoing, and including all rights to claim priority, and hereby authorizes and requests the Commissioner of Patents for the country involved to issue any and all patents on inventions resulting from the Patent Application or other applications to Assignee as Assignee of the entire right, title and interest therein, all of the foregoing to be held and enjoyed by Assignee for its own use and for the use of its successors, assigns or other legal representatives, together with all of the income, royalties, damages and payments now or hereafter due or payable with respect thereto, and all claims for damages by reason of past, present and future infringement of the rights assigned under this Assignment with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives, a fully and entirely as the same would have been held and enjoyed by Assignor if this transfer to Assignee had not been made.

Assignor authorizes and requests the United States Commission of Patents and Trademarks and any other similar government authority to record Assignee as the Assignee and owner of the Patent Application, and issue any and all letters patent thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives.

In witness whereof, the undersigned have executed this Assignment effective as of the date first set forth above.
