ASSIGNMENT

Whereas, by virtue of an Assignment, Qingdao Amos Resource and Technology Co., Ltd. ("Assignor"), a company incorporated in China at A-24C, World Trade Center, 6# Hongkong Middle Road, Qingdao, Shandong, China 266000, is the owner of U.S. Application No.: 15/533,605 filed on February 11, 2015.

Whereas, Amos Chemicals Inc. ("Assignee"), a company incorporated in the State of New York, at 142 Birchwood Park Drive, Jericho, New York 11753, is desirous of acquiring from Qingdao Amos Resource and Technology Co., Ltd., the entire right, title and interest in, to and under the aforesaid Patent Application and the invention therein described and claimed.

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Qingdao Amos Resource and Technology Co., Ltd. hereby sells, transfers and conveys its entire right, title and interest in, to and under said Patent Applications and the invention therein described and claimed to Amos Chemicals Inc. to the full end of the term for which Letters Patent may be granted and hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent when granted to Amos Chemicals Inc. as the assignee of the entire right, title and interest in, to and under the same. We hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. We hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in Assignee to apply for any and all related provisional and nonprovisional, international and national phase applications, including any and all substitution, reissue, divisional, continuation, and continuation-in-part applications, and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of Assignee's selection and the right to procure the grant of all such Letters Patent to Assignee for its own name as assignee of the entire right, title and interest therein.

Assignor further agrees that Assignor will, without demanding any further consideration therefore, at the request but at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, or reissuing said Letters Patent as may be granted from said Patent Application, and for maintaining and perfecting Assignee's right to said Letters Patent.
