PATENT ASSIGNMENT

Whereas, **Srdjan Pavelic**, an individual residing at 4718 71st Street, Urbandale, IA 50322 (hereinafter, the "**Assignor**"), owns the rights to and/or has invented certain new and useful improvements (collectively the "inventions") in the intellectual property described in the United States patent applications listed on **SCHEDULE A**; and

Whereas, Assignor desires to assign any and all right, title and interest to said patent applications, and any continuation, continuation-in-part, divisional, international, foreign, regional and convention applications corresponding thereto, and any and all Letters Patent of the United States and countries and regions foreign thereto which may grant or have granted thereto or be lodged in relation thereto, any reissue or reexamination thereof or to be obtained therefor, any renewals, or substitutes thereof, and any and all priority rights or priority claims, International Convention rights, any and all rights to collect past damages for infringement of any and all Letters Patent of the United States and countries and regions foreign thereto which may be published, which may grant, or have granted thereto or be lodged in relation thereto, and other benefits accruing to or to accrue to Assignor with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto (collectively the "Patent Rights");

Whereas, **Aloha Corporation**, a corporation organized and existing under the laws of the State of Iowa, and having its principal offices at 4718 71st Street, Urbandale, IA 50322 (hereinafter the "**Assignee**"), is desirous of acquiring the entire right, title and interest in and to said inventions, and said inventions' corresponding Patent Rights as defined above.

Now, therefore, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration in hand paid by Assignee, as well as other ongoing consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto Assignee, its successors and assigns, Assignor's entire right, title and interest in and to said inventions, said issued patents, all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents and all of Assignor's rights under the International Convention, and Assignor does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor, its successors and assigns, will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, Assignor will render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, for example, but not limited to, giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, Assignor has caused this document to be duly executed this 06 day of December, 2018.
