ASSIGNMENT

26th
THIS ASSIGNMENT is made the 18th day of May Two Thousand and Seventeen
between

LU, Wei, an Irish citizen of 26 Longdale Terrace, Ballymun, Dublin 9, Ireland
(hereinafter called "the Assignor") of the one part

and

Hanpak Limited of Jamestown House, Ballybrittas, County Laois, Ireland (hereinafter
called "the Assignee") of the other part

WHEREAS

(1) The Assignor has made an invention entitled

"A Container with a Closure Arrangement Restricting Spillage" (hereinafter called "the
Invention")

which has been made subject of Irish Patent Application No. IE S2016/0145 filed on
31 May 2016 ("the Application");

and

(2) It has been agreed between the Assignor and the Assignee that the whole right,
title and interest in and to the said Invention and the said Application shall be vested in
the Assignee.

NOW THEREFORE

(1) Pursuant to that agreement and in consideration of the sum of €1 (One Euro)
now paid by the Assignee to the Assignor (the receipt of which by the Assignor is
hereby acknowledged) the Assignor hereby assigns to Assignee whole right, title and
interest in and to the Invention and the Application, the full and exclusive right to any

subsequent patent application made in respect of the Invention, the full and exclusive right to any patent application claiming priority from the Application or any said subsequent patent application (hereinafter collectively called "the Patent Application(s)"); and to be granted any patent thereon and all the benefit, right, title and interest therein and all rights, powers, privileges and immunities conferred on the proprietor thereof in respect of the subject-matter of the Patent Application(s) or by or resulting from the Patent Application(s) including any resulting patents for the whole of the remainder of the terms of each of the patents respectively and any extension thereof and all rights arising out of any of the patents including the right to sue for past infringements and to obtain damages and any other relief for infringement all free from any encumbrances, to the intent that the grant of any patent resulting from the Patent Application(s) shall belong to and be in the name of and shall vest in the Assignee to hold unto the Assignee absolutely.

(2) Assignor will at the expense and request of the Assignee do all such acts and execute all such further documents as shall be necessary or desirable for assuring and registering the Assignee's title to the Patent Application(s) and in the event that any observations concerning the Patent Application(s) are notified to either party, the Assignor will provide the Assignee with all the information to which it has access and all assistance as is reasonable and lawful to ensure that a resulting patent is obtained.

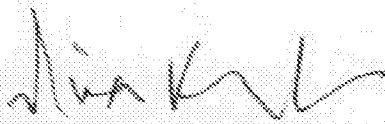

(3) In the event that the validity of any patent resulting from said Patent Application(s) is opposed, the Assignor will at the expense and request of the Assignee do all such acts and provide the Assignee with all the information to which it has or can lawfully procure access and all assistance as is reasonable and lawful to ensure that the validity of any resulting patent and any opposition is defended to the fullest extent in any proceedings and on any appeal therefrom.

(4) The Assignor hereby undertakes to execute all such documents and do all such things as may be necessary or proper for procuring the grant to the Assignee of patents pursuant to the Patent Application(s).
