WHEREAS, We, Philip H. Dater of Boise, Idaho, and Thomas T. Hoel of Arvada, Colorado, (hereafter referred to as "Assignors"), by an assignment dated August 14, 2006, attached hereto as Exhibit A, intended to transfer to Gemini Technologies, Incorporated, of 335 North Edgewood Lane, Suite 150, Eagle, Idaho 83616, a corporation of the State of Idaho (hereinafter referred to as "Assignee"), all right, title, and interest in U.S. Serial No. 11/546,718 (now U.S. Pat. No. 7,677,150), entitled Mounting System for Muzzle Devices and Firearms filed October 11, 2006, (hereafter referred to as "the Patent application"):

AND WHEREAS, through a scrivener's error, Gemini Technologies, Incorporated was misidentified in the attached Exhibit A assignment as "Gemini Technologies, Inc."

NOW, THEREFORE, in order to correct the scrivener's error, Assignors do hereby confirm that by the attached Exhibit A assignment, Assignors each intended to transfer all right, title and interest in and to the Patent application disclosed therein to Assignee, and to the extent that the attached Exhibit A assignment was ineffective in doing so, Assignors each do hereby sell, assign and transfer unto Assignee, all of Assignors' right, title and interest, including the right to claim priority, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said invention, said United States application, any other United States applications (including provisional, non-provisional, divisional, continuing, or reissue applications) based in whole or in part on said United States application or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said invention or any part thereof.

ALL TO BE HELD AND ENJOYED by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors had no sale and assignment of said interest been made.

This is a nunc pro tunc assignment executed on the date below and having effect
