ASSIGNMENT

WHEREAS, I, Matthew A. Case of 25261 Rye Canyon Road, Valencia, California 91355; together with Montgomery C. Lunde of 25261 Rye Canyon Road, Valencia, California 91355, Rockne J. Hall of 25261 Rye Canyon Road, Valencia, California 91355, and Ryan G. Lunde of 25261 Rye Canyon Road, Valencia, California 91355; have invented a certain new and useful invention entitled "SIMULATED AFTERBURNER FLAME EFFECT" for which an application for Letters Patent of the United States was filed on November 13, 2018, accorded Application No. 16/189,061, and further identified as Attorney Docket No. 47322.0058.

NOW, THEREFORE, be it known that I, one of the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, Technifex, Inc., a California corporation having a place of business at 25261 Rye Canyon Road, Valencia, California 91355, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues, the right to claim priority and file patent applications claiming the priority, and other patent rights, obtained for the invention in the United States or any other country; I also assign any right, title or interest in and to the said invention which has not already been transferred to the assignee; I warrant that I have made no assignment of the invention, application or patent therefor to a party other than Technifex, Inc., and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner for Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Technifex, Inc., its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
