## ASSIGNMENT

WHEREAS, I, **James D. Messina**, aka James Messina, Jr., a citizen of the United States of America, residing at Washington, NJ have invented one or more inventions (hereinafter referred to as "said inventions") disclosed in applications for Letters Patent of the United States (hereinafter referred to as "said applications") set forth below:

1. **Pest Management System**, having been assigned Serial Application No. 3/981,413, which matured into United States Patent No. 9,451,761.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to **Big Bucks Enterprises, Inc.**, a New Jersey corporation having a place of business at 55 Willow Street, Washington, NJ 07882 (hereinafter together with its successors and assigns referred to as "the Assignee") all right, title and interest in, to and under said inventions and said applications, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said inventions, and any and all other applications for Letters Patent on said inventions, in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent which may issue thereon in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said inventions or upon said applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. I hereby authorize the Assignee to file patent applications in any and all countries on any or all of said inventions in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or otherwise. I hereby expressly grant solely to Assignee any and all rights to collect past or future damages or otherwise assert rights for any infringement of said inventions or said applications whether prior or subsequent to the date of this Assignment.

I hereby authorize the Commissioner of Patents and Trademarks of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said inventions to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

I hereby represent and warrant that I have the full right to convey the entire right and interest herein assigned, that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that I will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

I hereby covenant and agree that I will, upon request of the Assignee, communicate to the Assignee any facts known to me relating to said inventions and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue

applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said inventions in all countries.

IN TESTIMONY WHEREOF, I have executed this document on the date indicated below.

Date: 12/6/18
