ASSIGNMENT

WHEREAS, we, Gerald H. Reinke, Gaylon L. Baumgardner and Andrew Hanz, have invented certain new and useful improvements in "A METHOD FOR IDENTIFYING THE EXTENT OF AGING IN AN ASPHALT", which is identified by International Application No. PCT/US2016/064950 and was filed on December 5, 2016;

WHEREAS, A.L.M. Holding Company, having an address of 920 10th Ave. N., Onalaska, Wisconsin 54650 and Ergon Asphalt & Emulsions, Inc., having an address of 2829 Lakeland Dr., Jackson, Mississippi 39232, (hereinafter referred to as ASSIGNEES), are desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, We have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said ASSIGNEES, its successors and assigns, the entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, including all non-provisional, continuation, divisional, counterpart, reissue, and reexamination applications, that may or shall issue, including all rights under the International Convention, and we do hereby authorize and request the Commissioner for Patents to issue said Letters Patent to the above-mentioned ASSIGNEE in accordance herewith.

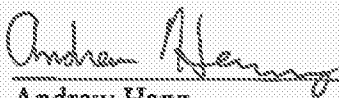

We further authorize said ASSIGNEES, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of said International Application or counterparts thereto and/or otherwise take advantage of the provisions of the International Convention.

We do hereby covenant and agree with the said ASSIGNEES, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will, at any time upon request, without further or additional consideration, but at the expense of said ASSIGNEES, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, non-provisional, divisional, continuation, counterpart, reissued, or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, we have signed our names on the date(s) written below.
