Whereas, Scheppach Fabrikation von Holzbearbeitungsmaschinen GmbH, a corporation organized and existing under the laws of Germany, having its principal office at Guenzburger Strasse 69, 89335 Ichenhausen, Germany (hereinafter referred to as ASSIGNEE), is desirous of obtaining Letters Design Patent for said invention in the United States;

Now, therefore, I hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have transferred unto said ASSIGNEE, its successors, assigns, nominees or other legal representatives, my full and exclusive right to said invention in the United States and have agreed to assign and transfer and do hereby assign and transfer unto said ASSIGNEE, its successors, assigns, nominees or other legal representatives, the full and exclusive right, title and interest in and to said application including all priority rights under the International Convention for the Protection of Industrial Property associated therewith and the full and exclusive right to any and all Letters Design Patent which may be granted in the United States on said application to the full end of the term for which said Letters Design Patent is granted and to any and all divisional, continuation, substitute and reissue applications derived from said application.

I hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any and all Letters Design Patent which may be granted upon any of said applications, to said ASSIGNEE as the Assignee of the entire right, title and interest in and to the same, for its sole use and behoof; and for the use and behoof of its successors, assigns, nominees, or other legal representatives, to the full end of the term for which said Letters Design Patent may be granted.
