ASSIGNMENT

WHEREAS, I, Han Soo Park (hereinafter "Assignor"), am the inventor of the invention claimed in Korea Patent Application No. 10-2018-0105761 entitled "Method and Apparatus for Manufacturing Fiber for Artificial Hair," which was filed in the Korea Intellectual Property Office on September 5, 2018.

WHEREAS, Chang Moo Lee, having an address at 210 W. Commercial Ave., Moonachie, NJ 07074 (hereinafter "Assignee"), is desirous of acquiring Assignor's right, title and interest in and to said invention in the United States, any patent application for said invention in the U.S., and any patent that may be granted thereon or therefrom in the U.S.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the U.S. in and to said invention and any U.S. application, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents (or equivalents thereof) applied for or granted therefor or therefrom in the U.S., together with all priority rights and rights to any damages for past, present and future infringement relating to any of the aforesaid applications in the U.S., and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to said Assignee herein as assignee of the Assignor's entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue, reexamination and other applications for patent on said invention and all assignments thereof to said Assignee or his assigns, to communicate to said Assignee or his legal representatives all facts known to undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, his successors, assigns and nominees in obtaining patent protection on said invention in the U.S., the expenses incident to said applications to be borne and paid by said Assignee.
