ASSIGNMENT

WHEREAS I, Jared Ret Zammuto of 6154 Argyle Road, Caledonia, Illinois 61011 (hereinafter referred to as Assignor), have invented new and useful improvements in:

THREE POSITION METERING VALVE FOR A SELF-CONTAINED ELECTRO-HYDRAULIC ACTUATOR

which is set forth in a United States Patent Application executed on even date herewith and filed on December 6, 2018 and having Serial No. 16/211,764.

AND WHEREAS, Warner Electric Technology LLC (hereinafter referred to as Assignee), of 300 Granite Street, Suite 201, Braintree, Massachusetts 02184, is desirous of acquiring the entire right, title, and interest in and to said invention and said application for Letters Patent of the United States, and in and to Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Assignor has assigned, sold and set over, and by these presents assigns, sells and sets over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said invention, said application for Letters Patent, including the right to file foreign patent applications corresponding to said application, and the right to claim the date of said application for Letters Patent and any legal equivalents thereof, and any and all Letters Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents prepared and executed by Assignor on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

AND the Assignor hereby covenants and agrees that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention and to obtain Letters Patent therefor, and the Assignor hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said Assignee in accordance with this Agreement.

AND the Assignor hereby grants the following individuals the power to insert on this Assignment the date of filing of the application and the application serial number and any further
