ASSIGNMENT

WHEREAS, I, the undersigned, Mark W. Wyne, a citizen of the United States and residing in the County of St. Louis, and State of Missouri, am an officer of Combined Manufacturing, Inc., a Missouri corporation, having a place of business located at 18451 Centaur Road, Wildwood, Missouri 63005, and I understand and acknowledge that I enjoy such relationship, in part, because of my potential capacity to invent, and that one of my duties as such an officer is to endeavor to make invention and improvements upon developments for the benefit of my corporation, and that as a condition of said relationship that all patent rights appertaining to any invention by me, in the course of my relationship, be assigned by me unto the said Combined Manufacturing, Inc., without any additional charge whatsoever in addition to my salary;

AND WHEREAS, in the course of said relationship, I, the undersigned, Mark W. Wyne, am the inventor having invented certain improvements in

COMBINATION BLADE AND CORD WEED CUTTER-TRIMMER HEADER DEVICE

for which application was made to obtain design patent of the United States.

NOW, THEREFORE, know all men by these presents that in compliance with the duties and obligations inherent in my aforesaid agreement, and in further consideration of a bonus of One Dollar (\$1.00) in hand paid by Combined Manufacturing, Inc., (receipt whereof by me is hereby acknowledged) I, said Mark W. Wyne, does hereby formally assign, transfer, and set over unto said Combined Manufacturing, Inc., a corporation, its successors and assigns, all right, title, and interest in and to the aforesaid invention and patent application upon Combination Blade and Cord Weed Cutter-Trimmer Header Device, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to fully effectuate this agreement.

AND, I further grant to Combined Manufacturing, Inc., its successors and assigns, the right to claim for any application for said invention the full benefit of any international agreement between the United States and any foreign country or countries.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue the said Design Patent, when granted, to the said Combined Manufacturing, Inc., its successors and assigns, as assignee of the entire right, title, and interest in and to the said invention, for the sole use and behoof of said Combined Manufacturing, Inc., a corporation, for its successors and assigns, to the full ends of the term for which Design Patent may be granted.

The Serial Number and filing date for the patent application contained in this assignment is as follows:
