DECLARATION AND ASSIGNMENT AGREEMENT

This declaration and assignment agreement is entered into between **Moutton, Bart** of Torhoutstraat 61, 8830 Gits, Belgium, ("Inventor(s)") and **CNH Industrial Belgium nv** of Leon Claeyssstraat 3A, 8210 Zedelgem, Belgium, ("Entitled Owner").

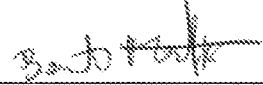

Inventor(s) herewith declare(s) he/she believes that he/she is the original inventor or an original joint inventor of an invention ("Invention") to be claimed in a Belgian Patent Application ("Application") and entitled "**Sensoropstelling voor maaidorser**" (English: "**Sensor arrangement for combine harvester**"). The Application is based on the invention disclosure entitled "**Capacitance Sensor Tower For Material Layer Height Measurement**" submitted to the Entitled Owner under internal reference number **51572-C-13-ZED**, a copy of which is enclosed with this Assignment.

Inventor(s) herewith confirm(s) that he/she made the Invention while being in the employ of Entitled Owner, in the execution of his/her normal duties and/or tasks assigned to him/her, and that, by virtue of the Laws of Belgium and his/her contract of employment, the entire right, title and interest in and to the Invention and any and all applications for patent and patents granted therefor in any and all countries, including all divisions, reissues, continuations, reexaminations, inventor's certificates, and extensions therefor, and all right of priority resulting from the filing of the Application are rightfully assigned to Entitled Owner.

Inventor(s) agree(s) to communicate to Entitled Owner, its representatives, successors or assigns all facts known to him regarding the Invention, whenever requested, and to testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reexamination, and reissue applications, and make all rightful oaths and generally do everything to aid said Entitled Owner, its successors, assignees, and representatives to obtain and enforce proper patent protection for the Invention.

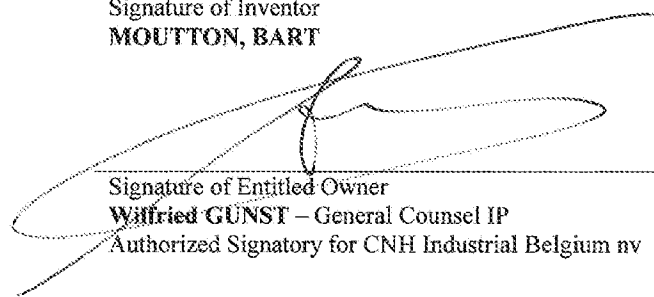

In testimony whereof the Inventors have caused this Agreement to be effective on this 26 May 2014.
