ASSIGNMENT

WHEREAS, WE, **Juan Pablo Eslava**, citizen of the United States, having a mailing address of 116 Hidden Valley Road, Groton, MA 01450, residing at Groton, MA, **Zachary K. Hennings**, citizen of the United States, having a mailing address of 38 Belmont Street, Reading, MA 01867, residing at Reading, MA and **Peter Andrew Lund**, citizen of the United States, having a mailing address of 23 Raymond Street, Nashua, NH 03064, residing at Nashua, NH, ASSIGNORS, are the inventors of the invention in **Rotating Docking Station** for which a provisional application for a Patent of the United States has been filed.

- ☒ which is identified by Jones Day docket no. 2017D00004USP01 / 14207-674-888 (CAM 562611-888674)
- ☒ which was filed on December 20, 2017, Application No. 62/608,493

and WHEREAS, **Drägerwerk AG & Co. KGaA**, a corporation having an office for the transaction of business at Moislinger Allee 53-55, 23558 Lübeck, Germany, ASSIGNEE, is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States provisional application and all applications claiming priority thereto under 35 U.S.C. § 119(e) and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all right to sue for infringement including past infringement.

AND WE HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

AND WE HEREBY further covenant and agree that we will not directly, or indirectly on behalf of a third party, challenge the validity or scope of the intellectual property rights being assigned herein including any applications for patents, utility models, and designs for said invention as well as any corresponding registrations.

IN TESTIMONY WHEREOF, We hereunto set our hands and seals the day and year set opposite our respective signatures.
