## PATENT ASSIGNMENT AGREEMENT

**Whereas**, Dr. Martin Giniger (the "Inventor") an individual, and having a place of residence at Delray Beach, Florida, is the inventor of United States Letters Patent Provisional Application Serial No. 62/630,033 filed February 13, 2018 entitled "White Charcoal Toothpaste and Method," United States Letters Patent Application Serial No. 16/217,401 filed December 12, 2018 entitled "White Activated Charcoal Toothpaste Composition and Method," and of the inventions therein described (the "Intellectual Property"); and

**Whereas**, the Inventor, pursuant to a consulting agreement dated November 1, 2017 entered into between Inventor and Total Clean LLC, a New York limited liability company (the "Prior Assignee"), assigned the entire right, title and interest in and to said inventions and any and all derivative inventions including any applications claiming the benefit of United States Letters Patent Provisional Application Serial No. 62/630,033 entitled "White Charcoal Toothpaste and Method;" and

**Whereas**, Total Clean Holdings LLC, (the "Company") a Delaware limited liability company, having an address at 200 W 57<sup>th</sup> St, Suite 1405, New York, NY 10019, is desirous of obtaining the entire right, title and interest in the Intellectual Property, to and under such patent applications, such invention and any such derivative inventions.

**Now, therefore**, in consideration of the sum of \$7.50 to Prior Assignee in hand paid, \$7.50 to Inventor in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, Prior Assignee and Inventor have sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto Company, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention, including the right to sue for past infringement, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which have already been and which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the patent under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic

laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof, and

**Inventor and Prior Assignee Hereby** authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents to issue the same to Company, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

**Inventor and Prior Assignee Hereby** covenant and agree that together they have the full right to convey the entire interest herein assigned, and that Inventor and Prior Assignee have not executed, and will not execute, any agreement in conflict herewith; and

**Inventor and Prior Assignee Hereby** further covenant and agree that Inventor and Prior Assignee will communicate to Company, its successors, legal representatives and assigns, any material facts known to Inventor and Prior Assignee, respectively, respecting the invention, and generally do everything possible to aid Company, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN WITNESS AND IN TESTIMONY WHEREOF, I, hereunto set my hand and seal this December 12, 2018.
