**ASSIGNMENT**

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the Receipt of which is hereby acknowledged, I the undersigned, Binyamin Galon residing at 8 Mevo Haruv St., Tzur Hadassah 9987500, Israel; Nir Bezalel residing at 25 Moskovich St., Rehovot 7646809, Israel; Roy Bick residing at 15 Levenberg St., Kfar Saba 4465309, Israel;

Hereby sell, assign and transfer to MOOVIT APP GLOBAL LTD., an Israeli Company located at 2 Han Ramon St., Ness Ziona 7403635, Israel, its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed in the application for United States Provisional Patent U.S. Serial No. 62/521,451 filed June 18, 2017 and being entitled:

**SYSTEM AND METHOD FOR DETERMINING TRANSIT STOP LOCATION**

and in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions.

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive United States non-provisional patents and/or foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for United States non-provisional patents and/or said foreign Letters Patent or other rights, the priority of the aforesaid United States provisional patent application under the United States Law and/or provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty,

under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the under-signed or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all United States non-provisional patents, divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

**COVENANT** with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
