PATENT ASSIGNMENT

This Patent Assignment is made by Brad Hill and David Hill (hereinafter "Assignors") in favor of 12 Stone Brands, LLC, an Arkansas limited liability company (hereinafter "Assignee").

WHEREAS, Assignor are the registered owners of U.S. Patent No. D566,967 S (hereinafter the "Patent"); and

WHEREAS, Assignors have entered into an agreement with Assignee which, among other things, provides that Assignors shall assign all of their ownership interest to the Patent to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors state the following:

1. Assignors do hereby assign to Assignee all right, title and interest in and to U.S. Patent No. D566,967, along with said invention and application, and any and all divisions and continuations thereof, and any and all Letters Patent of the United States, its territorial possessions, and any and all foreign countries which may be granted therefor, and any and all reissues, extensions or certificates of reexamination of said Letters Patent, including the right of priority and the subject matter of any and all claims which may be obtained in every such patent, the same to be held and enjoyed by the said Assignee for its own use and behoof, and for the use and behoof of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States, territories and foreign countries are or may be granted, reissued, extended, or reexamined as fully and entirely as same would have been held and enjoyed by Assignors, if this assignment and sale had not been made.

2. Assignors hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States on said invention, or resulting from said application, and from any and all divisions and continuations, reissues, extensions, or reexaminations thereof to the said Assignee, of the entire interest, and hereby covenant that they have full right to convey the entire interest therein assigned, and they have not executed and will not execute any agreement in conflict therewith.

3. Assignors further hereby covenant and agree that Assignors will, at any time, upon request, at the expense of said Assignee, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention, and to said Letters Patent as may be granted therefore in said Assignee, its successors, assigns, or other legal representatives, and that if said Assignee, its successors, assigns, or other legal representatives shall desire to file any divisional or continuation application, or to secure a reissue, extension or certificate of reexamination of such Letters Patent, or to file a disclaimer relating thereto, will, upon request, sign all papers, make all rightful oaths, and do all acts requisite for the filing of such divisional or continuing application, or such application for reissue or request for reexamination and procuring thereof, and for the filing of such disclaimers, without further compensation, but at the expense of said Assignee, its successors or other legal representatives.

4. Assignors do further covenant and agree, that it will, at any time, upon request, communicate to said Assignee, its successors, assigns, or other legal representatives, at its expense, such facts relating to said invention, application, and Letters Patent or the history thereof, as may be known to it, and testify as to the same in any interference or other litigation, when requested to do so.
