**ASSIGNMENT AGREEMENT**

WHEREAS, LEIDOS, Inc., a Delaware corporation, having a principal address of 11951 Freedom Drive, Reston, VA 20190 ("LEIDOS"), is an owner of the following subject invention:

**AMORPHOUS ENERGETICS**, U.S. Application No. 14,620,621,  
filed February 12, 2015, and as described in and all corresponding U.S.  
and foreign patents and patent applications claiming priority thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, LEIDOS assigns to the United States of America, as represented by the Secretary of the Army, its entire right, title and interest in and to the above subject invention, and all applications, divisions, and continuations thereafter, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for Letters Patent which may be granted on these inventions in any foreign country.

Furthermore, LEIDOS agrees to furnish to the United States of America, upon request, any available information and documents reasonably necessary for the prosecution of the above-identified applications for patent (including prosecution and settlement of interferences), and any substitution, division, or continuation of such patent applications and any application for reissue of any patent resulting from such patent applications.

Furthermore, LEIDOS agrees to assist the United States of America, upon request, by furnishing available information and documents and by performing all acts which may be reasonably necessary to make this Assignment Agreement effective.

IN WITNESS WHEREOF, LEIDOS has caused this Assignment Agreement to be executed by its duly authorized representative as of the date set forth below.
