DECLARATION and ASSIGNMENT

The INVENTOR, Tod D. Emerson, an individual having an address in Magnolia, Texas, is the inventor of the REUSABLE FIELD-ATTACHABLE WELLHEAD PENETRATOR AND METHOD OF ASSEMBLY AND USE described and claimed in the Patent Cooperation Treaty No. PCT/US2017/022590 and in the Provisional Application for U.S. Letters Patent 62/308,649 filed March 15, 2016 declares:

The above-identified application was made or authorized to be made by me.

I believe I am the original inventor, or an original joint inventor, of a claimed invention in the Application.

I have reviewed and understand the contents of the Application, including the claims.

I acknowledge my duty to disclose to the U.S. Patent Office all information known to me to be material to patentability as defined in 37 C.F.R. §1.56.

I declare all statements made herein of my own knowledge are true or I believe them to be true and acknowledge that any willful false statement made herein is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than 5 years, or both.

The ASSIGNEE, Quick Connectors, Inc., a Texas Corporation, having an address at 5226 Brittmoore Rd., Houston, Texas 77041 USA wishes to acquire the entire right, title and interest in and to the design, patent application and any U.S. Letters Patent that may issue thereon.

For valuable and legally sufficient consideration, receipt of which is hereby acknowledged, Inventor sells, assigns and transfers to Assignee, its successors and assigns, as of the date signed below, the entire right, title and interest in and to the above-identified invention, design, application and any Letters Patent to be issued thereon for the full terms thereof.

Inventor, now Assignor, also sells, assigns and transfers to Assignee the entire right, title and interest in and to the design and any applications for Letters Patent and Letters Patent therefore in all countries foreign to the United States including all rights under the International Convention. Assignor further authorizes Assignee to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention.

Inventor as Assignor further agrees, for himself and his legal representatives, that he will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts and any foreign equivalent of these Letter Patent, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that Assignee elects to make covering the inventions. Assignor vests in Assignee exclusive title in and to all such other applications and Letters Patent. Inventor

DECLARATION and ASSIGNMENT

will execute and deliver to Assignee in a timely manner any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. Inventor also authorizes and requests the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
