ASSIGNMENT

Whereas, Radhey S. Srivastava whose address is 404 Willow Bend, Youngsville, Louisiana 70592 (hereinafter "Applicant"), has invented a new and useful method described in a provisional application for a United States Patent entitled "METHOD OF PRODUCING CHIRAL N-SUBSTITUTED ALLYLIC AMINE COMPOUNDS" (hereinafter "Invention"), which was filed on August 7, 2012 and assigned serial no. 61/680,551. Whereas, the University of Louisiana at Lafayette, a Louisiana educational institution (hereinafter "Assignee"), whose post office address is P.O. Box 43610, Lafayette, Louisiana 70504-3610, is desirous of acquiring the entire right, title and interest in the invention; and

NOW, THEREFORE, in consideration of the sum of One dollar (\$1.00), the receipt of which is acknowledged, and other good and valuable consideration, including the employment relationship between Applicant and Assignee at the time of invention, I, the Applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the Invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all patent applications, including the rights in any substitute, continuation, continuation-in-part, divisional application, and PCT application, which may be filed and patents which may be granted therefor in the United States and in any foreign countries, including the right to claim priority rights for such foreign applications to which such applications are entitled under international conventions, treaties or otherwise,

and any reissue or reexamination patents issued thereon. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee of the entire right, title, and interest in and to the Invention, for Assignee's sole use and benefit and for the use and benefit of Assignee's legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this Assignment not been made.

Executed this _____ day of August 7, 2013, in Lafayette.
