PATENT ASSIGNMENT

WHEREAS, Mawazo LLC, a corporation organized under and pursuant to the laws of Delaware, having its principal place of business at 1521 Concorde Pike #301, Wilmington, Delaware 19803 (hereinafter referred to as Assignor), is the sole and exclusive owner, by assignment, of U.S. Patent Application No. 29/598,424, filed on March 24, 2017; and

WHEREAS, Royelles, Inc., a corporation organized under and pursuant to the laws of Delaware, having its principal place of business at 300 Delaware Avenue, Suite 210-A, Wilmington, Delaware 19801 (hereinafter referred to as Assignee), is desirous of acquiring the right, title and interest in, to and under said Patent Application and the invention covered thereby;

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to the said Assignee, the entire right, title and interest for the United States of America and all other countries in and to said application for all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefore in the United States of America, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents from U.S. Patent Application No. 29/598,424 to said assignee herein, as assignee of the entire interest therein; and the undersigned for itself and its legal representatives, heirs and assigns does hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for Letters Patent and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said invention whenever requested, to testify in any interferences or other legal proceedings in which said application or patent may become involved, to sign all lawful papers, make all rightful oaths, and do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said invention in the United States of America and all other countries, the expenses incident to said application to be borne and paid by said assignee.
