ASSIGNMENT

For valuable consideration, I, **Donald Cyrus Baker (a.k.a. Donald C. Baker)**, hereby assign to **Paddock Pool Equipment Company, Inc.**, a South Carolina corporation whose principal address is 555 Paddock Parkway, Rock Hill, South Carolina 29730, and its successors and assigns (collectively hereinafter “the Assignee”), the entire right, title, and interest throughout the world in the inventions and improvements that are subject of the following issued United States patents and pending United States Patent Applications:

United States Patent Application Serial No. 62/598,027 (Provisional)

United States Patent Application Serial No. 62/609,413 (Provisional)

United States Patent Application Serial No. 15/496,801 (Published as U.S. 20170227249)

United States Patent No. 8,999,027

United States Patent No. 9,631,387

United States Patent No. 9,540,836

In regard to each of the patent properties listed above, this assignment includes all applications, any and all divisional, continuing, substitute, renewal, reissue and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors’ certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
