ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the undersigned:

David A. Weitz, Allon Moshe Klein, Ilke Akartuna and Marc W. Kirschner

(each hereafter "Assignor") hereby assign, sell, and transfer to:

**President and Fellows of Harvard College
17 Quincy Street, Cambridge, Massachusetts 02138**

(hereafter "Assignee"), its successors and assigns, Assignor's entire right, title and interest throughout the world in and to any and all inventions for:

SYSTEMS AND METHODS FOR BARCODING NUCLEIC ACIDS

described in **International Patent Application No. PCT/US2015/026443**, filed **April 17, 2015** and in and to the aforesaid application(s), in any form or embodiment thereof, and in and to any application on any of the inventions filed in the U.S. or any foreign country, based thereon, including the right to file said applications, apply for patent rights, and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest in the U.S. or any foreign country in and to any and all patents or reissues or extensions thereof to be obtained in the U.S. or any foreign country upon any of the inventions and any divisional, continuation, or substitute applications which may be filed upon said invention or inventions in the U.S. or any foreign country; and the right to sue in its own name and recover damages for past infringement of any United States Letters Patent or foreign patent; and authorize and request the issuing authority to issue any and all patents on said application or applications to said Assignee or its successors and assigns.

For purposes of complying with foreign requirements, the above paragraph is intended to expressly grant all the recited rights and grants in China, Korea, and Japan.

Assignor hereby warrants that he/she has full right to convey his/her entire right, title and interest, both legal and equitable, in and to said inventions, free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever; and

Assignor further agrees, without further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings, whenever requested; testify in any interference or other legal proceedings whenever requested; execute and deliver, on request, all lawful papers required to make any of the
