ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

Robert L. Kottritsch of Shefford, United Kingdom

hereby sell, assign and transfer to **LYNK LABS, INC.**, having a place of business at 2511 Technology Drive, Suite 108, Elgin, IL, 60123, its successors and assign, the entire right, title and interest throughout the world in our invention in

LED CIRCUITS AND ASSEMBLIES

for which was filed a United States Patent Application on **October 25, 2016**, having Application No. **15/334,001**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 3 day of Jan, 2019
