WHEREAS, **NOCKOUT OUTDOORS LLC** ("Assignee"), a Texas limited liability company, pursuant to an asset purchase agreement between the parties, has acquired all right, title and interest in the Assigned Patent Rights, including all rights to pursue past damages and lost profits for infringement thereof;

NOW THEREFORE, for good and valuable consideration as provided in the asset purchase agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor by this assignment does hereby sell, assign, and transfer onto said Assignee the entire right, title, and interest in, and to the Assigned Patent Rights, including all applications claiming priority to said Assigned Patent Rights, including all continuations, divisions, continuations-in-part, foreign applications and patents, and all other rights therein, including the right to pursue damages and lost profits for past infringements of the Assigned Patent Rights; the same to be held and enjoyed by said Assignee for its own use, and for its legal representatives and assigns,

to the full end of the term for which any patent hereto is granted, as fully and entirely as the same would be held by Assignor had this assignment and sale not been made.

Assignor hereby authorizes the above-mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of any patent application subject to this assignment when ascertained.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patents, in Assignee's own name if desired, in any and all countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

IN WITNESS WHEREOF, Assignor hereunto sets its hands and affixes its seal as dated below.
