Assignment of Invention

For good and valuable consideration, the receipt of which is hereby acknowledged, Thiele Technologies, Inc. of 315 27th Ave. NE, Minneapolis, MN 55418 (hereafter "Assignor") does hereby assign, sell and transfer to BW Integrated Systems, LLC, a Missouri limited liability company having a business address of 315 27th Ave., Minneapolis, MN 55418 (hereafter "Assignee"), and the successors, assigns and legal representatives of the Assignee, all worldwide right, title and interest, including the rights to claim priority and recover for past infringements, in and to the invention entitled "MACHINE CABINET" which is found in U.S. design patent No D604342 issued on November 17, 2009, and any legal equivalents thereof in said countries, including the right to claim priority, and in and to, all Letters Patent to be obtained for said invention including the above patent or any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof.

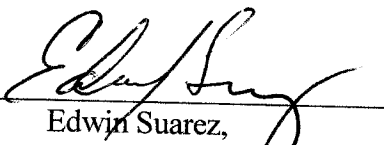

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation, or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments, affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

Effective Date: 9/14/2018
