## ASSIGNMENT

MBHB Case No.: 17-1781-PRO

U.S. Provisional Patent Application No. 62/615,380  
Filing Date: January 9, 2018

MBHB Case No.: 17-1781-US

U.S. Patent Application No. 16/233,708  
Filing Date: December 27, 2018

Inventor(s): Alex C. Nash, Stephen Koch and Robert Jenkins

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign, effective December 25, 2018, to:

**CertainTeed Corporation  
20 Moores Road  
Malvern, PA 19355**

its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in the patents application(s) listed above and entitled as:

### **Short Penetration Flashing, Flashing Systems and Methods for Installing Them**

and in said application(s) and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue United States Letters Patent to said assignee, and authorize and request the patent office of any country in which any application may be filed on said invention or improvements to issue Letters Patent to said assignee.

The undersigned warrant themselves to be the owners of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned, other than any encumbrance resulting from employment by the assignee or an entity affiliated therewith.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorize said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and

further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

WITNESS my hand and seal.
