DECLARATION

As a below named inventor, I declare that this declaration is directed to the patent application entitled

**MONITORING VEHICLE ACTIVITY AND COMMUNICATING INSIGHTS FROM
VEHICLES AT AN AUTOMOBILE DEALERSHIP**

having application serial number 16/246,936, filed on January 14, 2019 (the Application). The Application was made or authorized to be made by me. I believe that I am the original inventor or an original joint inventor of a claimed invention in the Application. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 USC §1001 by fine or imprisonment of not more than five years, or both. I grant authority to any receiving intellectual property office to provide access to the Application to any other intellectual property office in which an application claiming priority to the Application is filed.

POWER OF ATTORNEY

I appoint the practitioners associated with the customer number, firm, and practitioner named below as my attorney to prosecute this Application and any other applications based thereon and to transact all business in connection therewith, including to make and receive payments, and request that all correspondence be directed to the customer number or addresses below:

ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign, and transfer to:

Spireon, Inc.
16802 Aston St., Irvine, CA 92606

and its successors, assigns, and legal representatives (collectively referred to as "Assignee"), the entire worldwide right, title and interest in and to any and all inventions that are disclosed in the Application, and in and to the Application and all applications that have been or shall be filed based thereon; and in and to all rights of priority resulting from the filing of such applications. The Assignee may apply for and receive Letters Patent in its own name.

I will carry out in good faith the intent and purpose of this assignment; execute all patent applications based on this Application; execute all needed documents; communicate to the Assignee all facts known to me relating to the invention and the history thereof; do whatever is necessary to secure and maintain patent protection for the invention and vest title to the invention and all applications and patents thereon in the Assignee. I have not made any assignment or other encumbrance or agreement affecting the rights and property herein conveyed, and I possess the full right to convey such rights and property.

I hereby authorize the attorneys named herein to accept and follow the instructions of the Assignee as to any action to be taken regarding this Application without direct communication between the attorneys and myself. I hereby waive any right to revoke such power of attorney and appoint substitute attorneys, and grant all such powers to the Assignee.

SUBSTITUTE STATEMENT WHEN INVENTOR IS NOT AVAILABLE

The undersigned believes the above-named to be the original inventor or an original joint inventor of a claimed invention in the Application. The Application was made or authorized to be made by the undersigned on behalf of the above-named inventor. The undersigned hereby acknowledges that any willful false statement made in this declaration is punishable under 18 USC §1001 by fine or imprisonment of not more than five years, or both. The undersigned's relationship to the inventor to whom this substitute statement applies is:

- ☐ legal representative (for deceased or legally incapacitated inventor only),
☐ assignee,
☒ entity to which the inventor is under an obligation to assign,
☐ entity that otherwise has shown a sufficient proprietary interest in the matter (37 CFR 1.46 petition provided), or
☐ joint inventor.

This substitute statement is necessary because the above-named inventor:

- ☐ is deceased,
☐ is under legal incapacity,
☒ cannot be found or reached after diligent effort, or
☐ has refused to execute this declaration.
