## ASSIGNMENT

Attorney Docket No. 11112US03  
Inventor(s): Ryan Walsh  
Alexander J. Falesch

Application Serial No. 15/854,584  
Filing Date: December 26, 2017

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned confirms having assigned, and to the extent necessary does hereby assign, to **BLACKNIGHT HOLDINGS, LLC**, an Illinois corporation having a place of business at 12337 South Route 59, Suite 131, Plainfield, IL 60585, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States filed in the U.S. Patent and Trademark Office on **December 26, 2017** and assigned application **Serial No. 15/854,584** entitled "**Receiving Appliance for Automated Deliveries**" and also identified as **Attorney Docket No. 11112US03** in the offices of Corridor Law Group, P.C., and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any provisional, non-provisional, continuation, continuation-in-part, divisional, reexamination, reissue or extension of such applications or patents, and confirms having further assigned, and to the extent necessary does hereby further assign, to said assignee the priority right provided by the International Convention.

The undersigned hereby authorizes and requests the Director of the U.S. Patent and Trademark Office to issue said Letters Patent to said assignee.

The undersigned has warranted himself to have been, and to the extent necessary does hereby warrant himself to be, the owner of the entire right, title and interest in said invention or improvements, and to have had, and to the extent necessary has, the right to make such assignment, and has further warranted, and to the extent necessary does hereby further warrant, that there are no outstanding prior assignments, licenses, or other encumbrances on the interest assigned.

For said considerations the undersigned confirms his agreement, and to the extent necessary does hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all non-provisional, continuation, continuation-in-part, divisional, extension, and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue, re-examination or extension of

any Letters Patent that may be granted upon said application, and any and all applications and other document for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorizes said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper, and have agreed, and to the extent necessary does' hereby further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and to perform any and all other acts necessary to obtain said Letters Patent, both United States and foreign, and vest all rights therein conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if such assignment had not been made.
