### ASSIGNMENT

For €1 or the equivalent and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we, the undersigned Assignor(s),

Jacky Peterlini, 12 rue du Bulloz, 74940 Annecy-le-Vieux, France

who has/have created a certain invention for which an application for United States Letters Patent has been made by way of PCT International Patent Application No. PCT/FR2017/051285 having an international filing date of May 24, 2017, said application having entered the US National Phase on November 26, 2018, and assigned US Application Ser. No. 16/304,671, said application entitled: DEVICE AND METHOD FOR PACKING A CUSHIONING ELEMENT IN A CARTON do hereby sell, assign and transfer and/or hereby confirm having previously having sold, assigned, and transferred to: GP SYSTEM, 3 Avenue du Pré Félin, 74940 Annecy-le-Vieux, France (hereinafter referred to as ASSIGNEE); formed under the laws of the France, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

I/we agree that ASSIGNEE may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, I/we will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said ASSIGNEE, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said ASSIGNEE, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said ASSIGNEE, its successors, assigns, or legal representatives; and
