ASSIGNMENT OF PATENT RIGHTS

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, **John David Hunsicker**, residing in Wichita, Kansas, (hereinafter "Assignor") hereby sell, assign, and confirm transfer to **Wichita State University**, a legal entity formed under the laws of Kansas, having offices located at 1845 Fairmount Street, Wichita, Kansas, 67260 (hereinafter "Assignee"), its successors, and assigns, the entire right, title and interest, in, and to any and all of my inventions which are disclosed in, the US Patent Application entitled: **TRUMPET SLIDE RING SPACER**, filed as U.S. patent application 16/244981, filed on January 10, **2019**, which claims priority from United States Application No. **62/616,043**, titled: **Trumpet Slide Ring Spacer**, filed on **January 11, 2018**.

I authorize MacMillan, Sobanski, & Todd LLC to insert the official application number and filing date of the U.S. Patent Application in the blanks above.

SUCH ASSIGNMENT shall be in and to the applications listed above, and extensions thereof, including all rights of priority arising therefrom, and in and to all non-provisional, divisional, continuing applications, substitute, renewal, reissue applications, designs, utility models, provisional applications, and all other applications for Letters Patent directed to the same invention which have been or will be filed in the United States and all countries of the world and all international applications. I hereby authorize and request the Commissioner of Patents or other proper Officer to issue such Letters Patent to the above Assignee, its successors, and/or assigns.

ASSIGNOR also agrees that said Assignee may apply for, receive, enforce, and maintain Letters Patent for said inventions in its own name; and that, when requested, without charge to, but at the expense of said Assignee, its successors, assigns and legal representatives, Assignor will carry out in good faith the intent and purpose of this assignment. For this and any other related patent applications, domestic or foreign, the undersigned will execute all rightful oaths, supplemental oaths, preliminary statements, assignments, powers of attorney, assurance of title, declarations, and other papers, and will communicate to said Assignee, its successors, assigns, and legal representatives, all relevant facts known to the undersigned relating to said inventions and the history thereof; and generally assist Assignee, its successors, assigns, or representatives, in securing, enforcing, and maintaining proper patent protection for said inventions, and for

complying with applicable law and for vesting title to said inventions and all applications for patents and all patents on said inventions in said Assignee, its successors, and assigns.

ASSIGNOR FURTHER represents and warrants that Assignor has the right to make this Assignment and that Assignor has not made, and will not make, any other assignment that conflicts with this assignment.
