BETWEEN

1. **Sandvik Medical Solutions Limited**, a British company of Parkway Close, Parkway Industrial Estate, Sheffield, S9 4WH United Kingdom (hereinafter referred to as “**SMS**”) and
2. **Sandvik Intellectual Property AB**, a Swedish company of SE-811 81, Sandviken, SWEDEN (hereinafter referred to as “**Sandvik**”)

RECITALS

- A. Whereas **SMS** is the owner of patent applications further details of which are in the Schedule hereto (hereinafter called the “**Patent Applications**”)
- B. Whereas **SMS** and **SANDVIK** are part of a group of companies ultimately sharing the same common ownership and **SANDVIK** has overall responsibility for holding the intellectual property of group companies
- C. Now the parties have agreed to execute this Assignment so that the Patent Applications, and any and all inventions claimed in the Patent Applications (hereinafter called the “**Inventions**”) are vested in **SANDVIK**

NOW IT IS HEREBY AGREED AS FOLLOWS:

1. **SMS** hereby assigns to **SANDVIK** and **SANDVIK** hereby accepts an assignment of **SMS**’s entire right title and interest in and to the Patent Applications and the Inventions including without limitation:
 - a. **SMS**’s entire right to be jointly entitled to any patent granted on the Patent Applications for the full term of such patents and its entire right to apply for, be granted and hold patents, jointly or otherwise, for the Inventions in or for any part of the world (including without limitation its right and title to any and all future foreign or PCT applications and national/regional

phase applications patents derived from the Patent Applications and all future PCT applications as well as any and all divisional continuation and continuation-in-part applications) and the right to priority from the Patent Application; and

- b. the right to recover and take all such proceedings as may be necessary for the recovery of damages or other forms of relief in respect of all infringements of the Patent Applications whether committed before or after the date of this Assignment.
2. The Assignment in paragraph 1 above is without prejudice to the rights of any third party with which the Patent Applications may be jointly owned by SMS and SANDVIK accepts assignment of such Patent Applications together with the rights and obligations of SMS in relation to such joint ownership.
3. SMS hereby agrees that it will at the expense of SANDVIK, promptly execute and sign all such instruments applications documents and do all such acts and things as may reasonably be required by the SANDVIK to enjoy the full benefit of the property and rights hereby assigned (including without limitation executing any and all forms required in connection with the filing and prosecution of patent applications and otherwise assisting with the prosecution to grant of the Patent Applications and any future applications claiming priority or derived therefrom)
4. This Agreement shall be governed by and interpreted in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts
