WORLDWIDE ASSIGNMENT

WHEREAS, **GATCO MANUFACTURING INC.**, a body corporate incorporated under the laws of the Province of Saskatchewan, Canada having a place of business at 2524 South Service Rd W, Box 515, Swift Current, Saskatchewan, Canada, S9H 3W3, currently owns all rights, title and interest in and to the invention entitled **Grain Aeration System** for which United States Letters Patent were issued on **March 25th, 2014**, under **U.S. Patent No. 8,677,648**.

AND WHEREAS, **FLAMAN SALES LTD.**, a body corporate incorporated pursuant to the laws of the Province of Saskatchewan, Canada, having a place of business at Highway 16 & 71st Street, Saskatoon, Saskatchewan, Canada, S7K 3J7, has acquired from **GATCO MANUFACTURING INC.** the whole right, title and interest for the United States of America and all other countries throughout the world in and to the said invention and in and to any Letters Patent that have been or may be obtained therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, **GATCO MANUFACTURING INC.**, through the undersigned, confirms that it has sold, assigned and transferred and does hereby sell, assign and transfer unto **FLAMAN SALES LTD.** the full and exclusive right to the said invention in the United States of America and all other countries and the entire right, title and interest in and to any and all Letters Patent which have been or may be granted therefor, and the entire right, title and interest in and to any and all applications covering the invention, and in and to any divisionals, continuations, continuations-in-part, reissues and extensions of said applications, together with the right to claim the benefit of the right of priority provided by all applicable international treaties or conventions based on said applications for United States Letter Patent.

The undersigned, on behalf of **GATCO MANUFACTURING INC.** agrees, without further consideration, to do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for

additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

The undersigned hereby grant(s) the firm of McKercher LLP of Regina, Saskatchewan, Canada, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or the patent office of any other country, for recordation of this document.
