General Assignment

WHEREAS, Bormans, Guy, Maurits R., citizen of Belgium, residing at c/o Katholieke Universiteit Leuven, KU Leuven Research & Development, having its place of business at Waaistraat 6, bus 5105, B-3000 Leuven, Belgium (hereinafter referred to as "Assignor"), was employee of Katholieke Universiteit Leuven, KU Leuven Research & Development at the time the invention

"1-ARYL-4-METHYL-[1,2,4]TRIAZOLO[4,3-a]QUINOXALINE DERIVATIVES"
(hereinafter referred to as "Invention") was made. The Assignor is co-inventor of that invention,

for which on the 27th day of June 2011, European Patent Application no. EP11171518.9 was filed at the European Patent Office.

WHEREAS, the conditions under which said invention was made are such that as defined in the contract as an employee of Katholieke Universiteit Leuven, KU Leuven Research & Development the Assignor automatically entitles Katholieke Universiteit Leuven, KU Leuven Research & Development, having its place of business at Waaistraat 6, bus 5105, B-3000 Leuven, Belgium (hereinafter referred to as "Assignee") to the entire right, title and interest to said invention and improvements thereof, including the right to claim priority of a priority application for the invention, both domestic and foreign; and

WHEREAS, the Assignee is desirous of acquiring Assignor's entire right, title and interest in the invention and improvements thereof, including the right to claim priority of a priority application for the invention, both domestic and foreign.

NOW, THEREFORE, BE IT KNOWN, that, for good and valuable consideration the receipt of which from the Assignee is hereby acknowledged, the Assignor for the avoidance of doubts hereby assigns and transfers to the Assignee his entire right, title and interest, including the right to claim priority of a priority application for the invention, in and to said invention and improvements thereof, which may be disclosed in a patent application and in and to said patent application, and all foreign equivalents thereof, including all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, both domestic and foreign, that may be granted for said invention, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

The Assignor covenants that the Assignor has the full right and obligation to convey the interest assigned by this Assignment, and the Assignor has not executed and will not execute any agreement in conflict with this Assignment.

The Assignor further agrees to make, execute and deliver to the Assignee upon request, any and all papers, documents, declarations, affidavits, or other instruments that may be necessary in the prosecution of any application or applications for the invention and improvements thereof or reissues of Letters Patent, and to assist the Assignee in every way as may be requested in protecting said invention. The Assignor acknowledges that this obligation includes the duty to execute, in a timely manner, any Declaration and Power of Attorney that may be necessary in the prosecution of applications relating to said inventions in the United States or elsewhere.

The Assignor agrees that this general assignment is effective from the 26th day of June 2011.

IN TESTIMONY WHEREOF, the Assignor and Assignee set hereunto their hand and seal this date.

Bormans, Guy, Maurits R.
