ASSIGNMENT AGREEMENT

WHEREAS, ASSIGNOR is the owner of all right, title and interest in and to the above referenced Patent Application, Patent, and the invention(s) described and claimed therein (the "Inventions");

WHEREAS, ASSIGNEE is desirous of acquiring the entire right, title and interest in and to the Patent Application, Patent, Inventions, and any letters patent or similar forms of protection that may be granted therefor in the United States and in any and all foreign countries;

Ver. 2.02
Page 1 of 3

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR does hereby contribute, assign, and transfer unto ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest in and to the Inventions (including the invention(s) disclosed in the Patent Application referenced above), the Patent Application, the Patent, and any and all letters patent and similar forms of protection which may be granted for the Inventions in the United States of America and its territorial possessions and in any and all foreign countries, and any and all divisionals, reissues, reexaminations, continuations, continuations-in-part, renewals, and extensions thereof, as well as any application(s) to which the Patent Application referenced above claims priority and any application(s) which claim priority from any of the foregoing, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application(s) to which said foreign applications are entitled by virtue of international convention, treaty, or otherwise, said Inventions, application(s), and all letters patent and similar forms of protection for said Inventions to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer, and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks and all similar officials in all foreign countries to issue all letters patent and similar forms of protection for said Inventions to ASSIGNEE, its successors, legal representatives and assigns. ASSIGNOR agrees to execute and deliver, and cause all persons under ASSIGNOR's control to execute and deliver, to ASSIGNEE all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent and similar forms of protection for said Inventions, for litigation regarding any of the foregoing, and for the purpose of protecting title to said Inventions and letters patent and similar forms of protection therefor, all of the above hereinafter the "Assigned Patent Rights."

For the avoidance of doubt, ASSIGNOR hereby irrevocably assigns, transfers, conveys, and delivers to ASSIGNEE, its successors, legal representatives and assigns, all rights to sue or to bring any action or to assert any claim, whether at law or in equity, against any person or entity relating to any of the Assigned Patent Rights, including without limitation for past, present, or future infringement, misappropriation, or other unauthorized use of any of the Assigned Patent Rights, to obtain injunctive relief, and to recover or collect royalties, damages, and profits, including without limitation for such past, present or future infringement, misappropriation, or unauthorized use of any of the Assigned Patent Rights. By specifically enumerating certain rights of enforcement in this paragraph, the ASSIGNOR and ASSIGNEE do not intend for this paragraph to be interpreted to suggest any limitation upon the scope of rights transferred by virtue of this Assignment.

The ASSIGNOR hereby covenants that it has the full right to convey the entire interest herein assigned, and that ASSIGNOR has not executed, and will not execute, any agreement in conflict herewith.

The ASSIGNOR further agrees for itself and its legal representatives, successors, and assigns to provide to the ASSIGNEE promptly upon its request and at its expense all pertinent facts, documents, and things relating to any of said Inventions, applications, patents and legal equivalents as may be known and accessible to ASSIGNOR and to testify as to the same in any interference, litigation, or other proceeding relating thereto.

ASSIGNOR further hereby represents and warrants that the above referenced Inventor(s) is/are the true and correct inventor(s) as original contributor(s) to the material included and claimed in the Patent Application and Patent; and ASSIGNOR has reviewed and understands the contents of this Assignment Agreement.

IN TESTIMONY WHEREOF, ASSIGNOR has executed this Assignment by its duly authorized representative on this 21 day of December, 2018.
